ABOUT US

LINES ART STUDIO is an Interior Design Studio celebrated for its Thoughtful, & Refined Design approach. Specialized in Space Design & Turnkey Project.

At Lines Art Studio, we make sure, the proper on-ground execution of project in hand throughout its accomplishment, We form ideas and turn them into concepts, which are just in tune with the present marketing needs and prevailing solutions.

RESIDENTIAL DESIGN-

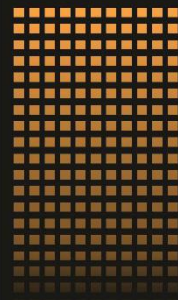

We expertise in transforming your home into an unforgettable living experience. We expertise in giving a perfect blend of style, luxury and comfort to your home that suits your taste and lifestyle.

OFFICE DESIGN-

We specialise in creating workplaces, right from working space to conference rooms we cover everything required for an office interior. Need a cool office space. Just give us a call right now.

COMMERCIAL DESIGN-

We understand how the interiors of your business space matters. Be it Stores, Restaurants, Salons or Spas we specialise in design and turnkey solutions for your commercial space.

OUR PROCESS

MEET & AGREE

The first step at Lines Art Studio always start with meeting the client and understanding by taking into consideration all the needs and concerns to gather the information for concept creation.

SPACE PLANNING & CONCEPT CREATION

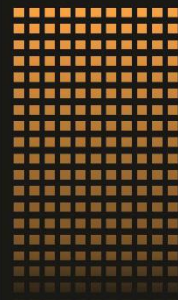

Depending upon the initial discussion, we proceed towards space planning and management to an agreed flow to your space followed by conceptualization.

DESIGN DEVELOPMENT

After the concept is established we provide you with detailed set of drawings along with conceptualized rendering for your better understanding.

BUILD & INSTALL

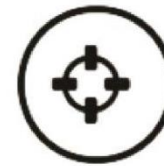

Here we transform conceptualized dream into reality by ensuring a flawless and timely execution of your homes construction and turnove.

Client Testimonials

Sushil Yadav | General Manager
Alliance International

They have served high quality service and material. All details were according to the our Contract and they were following up their issues ontime and by well organized Team Work.We hope to work together with Lines Art Studio by further projects.

Rahul Popli | General Manager
AV Engineers

Lines Art team deliver quality solutions with quick turnarounds and short deadlines. The team communications are great, always asking the right questions to ensure you deliver exactly what you need, with the flexibility to handle change!

Shailendra Gupta | Director
Dubblin

It was a wonderful experience working with Lines Art Studio \for HGH 2019.Team is highly professional in their approach and made sure everything went smoothly during the built up days. We strongly recommend them for Exhibition Stall Designing and fabrication in India.
